I am 12 yers old and i like to play golf. I have played golf for one and a half years. I became the junior club champion last year and i am currently leading the B league for the grown ups. I hope to be a professional golfer one day. I have two sisters and a mum and dad. My youngest sister is 15 and her name is Helena an my oldest sister is 17 yers old and her name is Hannah my dad is 47 years old and his name is Ian and my mum is 50 years old and her name is Majbritt.

We all live on an old farm. We also have 3 dogs and 2 cats. The cats are very handy for catching mice. The dogs are 2 English bulldogs an one Pug.

My Dad is a mechanic, he rides a motorcycle it is an old Harley Davidson from 1967. His motorcycle is almost the same age as him. My dad takes me to the golf course and walks round with me. This summer we have nearly played every day.

My mum is an environmental technician consultant. She also plays golf with me. My mum is taking a masters degree at the Danish technical university in Copenhagen. My mum loves her dogs and cats and all animals in general.

My oldest sister
Hannah is 17 years
old and is going to
gymnasium for the
second year. Hannah
will go to gymnasium
for three years in total.
Gymnasium is a
collage where she
learns Spanish,
English and Maths
and other subjects.
Hannah also loves our
cats and dogs.
Hannah would like to
study to be a lawyer
when she is finished
with gymnasium.

My sister Helana who is the youngest sister at 15 years old is currently at after school here in Denmark which is a type of boarding school. Many children go to after school in Denmark when they are in 9th or 10th grade for one year. Helena is interested in art and is very good at drawing and painting. Helena plays the piano and is very good

My grandparents live
in Scotland my grand
father plays golf too
and when I go to
Scotland I play with
him and my Grand
mother likes to buy
things for me and she
buys a lot of golf
clothes for me

My grandparents in Denmark are divorced and live with their new partners. My grandmother she lives 10 kilometers away and she likes to visit me. My grandfather is 74 years old and an engineer and he invents chocolate machines

I have three dogs
Gladys Rosie and
Alfred and I take them
for walks in the woods
